Product Identity Declaration

Dear Madam, Sir,

As a responsible and pro-active company, Signify is committed to supply products that are designed and tested according to internal performance and quality criteria.

With these terms Signify declares that the below mentioned product models (Reference models) are base models with respect to the successor products. The new models have similar electronic hardware design and product specification. Type differentiation is based upon PCB (slightly different connector interface, see Annex) and firmware version upgrade.
