Product Identity Declaration

Dear Madam, Sir,

As a responsible and pro-active company, Signify is committed to supply products that are designed and tested according to internal performance and quality criteria.

With these terms Signify declares that the below mentioned reference models are the basis with respect to the new products (range extension IDT drivers). The new models share the electronic hardware with the references and have similar product specification. Type differentiation is based upon firmware version variation.

Type of Equipment:	Xitanium Led Driver
